

HANNAH LEE

TEACHING EXPERIENCE

Art Teacher, 10/2023 to Current

Dionne Warwick Institute - East Orange, NJ

- Instructs 400+ PreK-5th grade students in various art mediums and techniques, fostering creativity and self-expression.
- Develops and implements engaging lesson plans tailored to meet needs of diverse learners, including 3 Autism classes.
- Organized and curated annual art show showcasing students' work.
- Established and led after-school art club for 5th-grade students preparing for middle school, providing additional instruction and support.
- Collaborates with colleagues to integrate art across curriculum, enhancing interdisciplinary learning experiences.

Lead Art Instructor, 01/2023 to 08/2023

Inspired Minds Fine Art School - Lincroft, New Jersey

- Facilitated group sessions of students aged 3-4 to teach fundamental building blocks of art and mediums
- Facilitated group sessions of students aged 5-8 with emphasis on projects with multiple mediums to encourage experimentation and creativity
- Prepared detailed lesson plans that promote skill and talent development through weekly mixed media art lessons

Art Teacher, 09/2022 to 06/2023

The Hebrew Academy - Marlboro, New Jersey

- Developed and implemented engaging art lessons for students from 1 year olds to 5th grade
 - Assisted students in developing unique artistic skills and techniques through lessons on different artists, art history, and other forms of current media
 - Organized after school art activities including Art Club for early education students and set design for school musical
-

TEACHING PHILOSOPHY

As a passionate art teacher, I prioritize fostering creativity and exploration in my classroom. I believe in the importance of a trial and error experimentation with mediums to help students grow both as artists and critical thinkers. My focus is on the process rather than the final product, aiming to provide students with foundational skills and cultural knowledge to support their growth as artists and life long learners!
